2016 CONVOCAATION *AWAKENED BY THE SPIRIT: CALLED TO DISCIPLESHIP*

The National Religious Vocation Conference (NRVC) is a professional organization of vocation ministers that presents religious life as a viable option in the Catholic Church. NRVC promotes vocation awareness, invitation, and discernment to life as a religious sister, brother, or priest. NRVC reflects all forms of religious life and provides educational opportunities, resources, and other supportive services for spiritual, professional, and personal growth.

The NRVC is the only national organization in the American Church to promote vocations and to be of service to religious vocation directors and their institutes. Because of its unique mission, the United States Conference of Catholic Bishops (USCCB) recognizes NRVC as the official religious vocation conference in the United States. Today the NRVC has an annual membership of over 800 women and men representing over 300 religious institutes and collaborating organizations who support vocation ministry.

The NRVC is pleased to invite you to consider sponsorship for our biennial Convocation which will take place at the Sheraton Hotel in Overland Park, Kansas, October 27-31, 2016. There are many ways to show your support of NRVC and religious vocations. We invite you to “match your mission” with ours by considering sponsorship at a variety of levels most suitable for your organization. All organizations are recognized in the program folder and throughout the Convocation for all levels of sponsorship.

Vocation ministers, religious leadership, formation directors, communication directors, and all those who share responsibility and concern for future membership in religious life attend this biennial Convocation. Through the input of our keynote speakers, diverse workshops, theological reflection, and celebrations of Mass and common prayer, our hope is that participants will leave with a renewed sense of conviction and a fearless desire to continue to invite other women and men to a life called to discipleship within a culture of vocation.
